KFS condemns the use of doping in sport. It recognizes the right of all its Athletes to participate in a sport that is free from the misuse of drugs. KFS is committed to educate, inform and test, as appropriate, participants competing in Kickboxing in Singapore, and representing Singapore, so that it remains a drug-free sport.

It is a requirement of participation in the sport that all its Athletes, Athlete support personnel and other persons under the jurisdiction of KFS comply with the Anti-Doping Policy of Singapore and the ADS Anti-Doping Rules set out and published by KFS and ADS.

In testing its Athletes, KFS is committed to handling the management of results in a confidential and accountable manner and to carry out disciplinary procedures where appropriate by the fair and independent process it has agreed with its members and with ADS, its appointed National Anti-Doping Organisation, for the collection of doping control samples. The disciplinary procedure for a contravention of these rules is published in full in the ADS Anti-Doping Rules.
